

The Mount Washington Valley Ski Team

Would like to say **Thank You** to all sponsors, business, families, individuals, athletes, and community members who made our *2010 Ski Ball Fundraiser* a complete success!

The **“Valley Team”** as we are called, enables athletes to receive coaching and training on the best ski training terrain available right here in the Mount Washington Valley. Many local and weekend athletes participate in our program. The Ski Ball and Golf Tournament events provide support directly to our athletes by off-setting the program costs. MWVST has been instrumental in helping athletes become outstanding racers at all levels including: high school, USSA, collegiate, and the US Ski Team.

For more information about the MWVST please call 356-7627 or www.mwvskiteam.com

Your support is making us go **DOWNHILL** fast!
